

**THE  
EDUCATION  
PROJECT**   
BY HUMANITY FIRST USA

# Sign up to volunteer as a virtual tutor!

In a landmark study, students receiving one-on-one tutoring performed **nearly twice as well** as those in a conventional classroom.

TEP partners exclusively with **Title I-funded public schools** (where >40% of students are from low-income families) to provide impact **where it's needed most**.

Tutors fill out a form with subjects, availability, etc. and are matched with a student/parent for a longitudinal, impactful, enriching service!
